CITY MANAGER’S REPORT:

City Manager Arevalo spoke regarding the increase of homeless individuals in the City and how City Staff and the Sheriff’s Department are responding to the issue.

Captain Kelly Fraiser spoke regarding the increase in homelessness in the City. She spoke regarding the increase in arrests in the categories of “drunk in public” and petty theft, which are attributed to the homeless increase. She thanked City Council for the additional funding for more patrols in the area and asked residents and business owners to call the Sheriff’s station if they have any issues with homeless individuals.

Social Services Manager Daphne Dennis spoke regarding the increase of homeless individuals in the City, particularly during summer months, and spoke regarding the City’s relationship with social services agencies to try to assist with this issue. She spoke regarding an increase in street outreach to help those that need emergency shelter and transition to permanent housing. She spoke regarding the City being able to provide permanent housing to twenty six people since October. She spoke regarding various regional committees that the City participates in to help with this ongoing issue.

Mayor Prang spoke regarding the monetary resources the City commits to social services each year and stated that the services that the City provides are connected with the County and the State. He spoke regarding State funding cuts that have caused prisoners to be released back onto the streets who are in need of mental care; which also contributes to the increase in the homeless population.

Mayor Pro Tempore Land thanked Ms. Dennis and Captain Frasier for coming out to speak. She encouraged residents to call the Sheriff’s station if they need assistance, as the Sheriffs can help individuals get the services that they need. She spoke regarding West Hollywood setting the bar for providing services to assist the homeless, and also spoke regarding the services provided by the surrounding cities as well.

Councilmember Duran requested demographic data on the homeless population in the City. Ms. Dennis provided clarification on the demographics of the homeless in the City.

Councilmember D’Amico spoke regarding the successes in dealing with homeless issues in the City. He requested clarification regarding areas that still need improvement and whether there are limitations based on funding or other issues. Ms.
Dennis spoke regarding the additional programs that will be provided by PATH, Housing Works, and the Saban Free Clinic, due to major new funding enhancements through the United Way’s Home for Good initiative. This initiative provides funding for street outreach, mental health services, and housing vouchers.

Councilmember D’Amico requested clarification from Captain Frasier regarding whether or not the Sheriffs are delivering the message that while it is not illegal to be homeless, it is illegal to commit crimes. Captain Frasier stated that there has been a 23% increase in contacts between the Sheriff’s Department and the homeless population to ensure that those who are here in the City are not committing crimes.

City Manager Arevalo spoke regarding the meeting that was tentatively set for August 20, 2012 to discuss the Plummer Park project. He spoke regarding there still being issues surrounding funding, particularly redevelopment funding, and stated that over the next 90-days the Department of Finance will be submitting the next Recognized Obligation Schedule along with requests regarding housing project funding to the State. He recommended that the meeting on August 20, 2012 move forward as a regular City Council Meeting and that the meeting to discuss Plummer Park be rescheduled to a later date.

Mayor Prang closed the public hearing.

Councilmember Duran requested clarification from City Attorney Jenkins regarding public funds being used to assist property owners. He also
requested clarification regarding the City’s program regarding a Rent Adjustment Increase for landlords.

City Attorney Jenkins spoke regarding the possibility of the City utilizing public funds for direct subsidies for a private property and stated that he would need to investigate the issue further.

City Manager Arevalo spoke regarding the Rent Increase Program and stated that requests for a rent adjustment go before the Rent Stabilization Commission for approval or denial.

Councilmember Duran spoke regarding the ongoing struggle between designating historic properties where the landlords have tenants in rent controlled properties and the difficulties for the landlords to renovate the properties based on these rents. He spoke in support of the property being designated as historic, but expressed concerns regarding the possibility of the renters being evicted under the Ellis Act.

Councilmember Heilman thanked everyone who came to speak on this Item. He spoke in opposition to the public comments made about the property owner being negligent. He spoke regarding Mr. Fickett being a notable architect, but spoke in support of ensuring the protection of the current tenants over protecting the architect. He expressed concern with comments made regarding using public resources to maintain private buildings where someone else is taking in revenue with no public benefit. He spoke regarding the possibility of deferring the application for historic preservation, but keeping the application open to prevent the property from being demolished while the City investigates the possibility of incentives for the owner to renovate the property.

Mayor Pro Tempore Land thanked everyone who came to speak on this Item. She spoke in support of the historic designation of the building, but expressed concerns regarding the maintenance needs for the building. She spoke in support of the Council drafting a set of incentives for property owners that have historic properties, but are in need of funding for renovations. She spoke regarding the need to protect tenants in the City. She spoke in support of using public funds to preserve and protect affordable housing stock in the City.

Councilmember D’Amico spoke in support of denying the appeal. He expressed concern over the many maintenance issues with the building. He expressed concerns regarding the property owner’s repairs over the years and expressed concerns regarding future repairs if they are not completed under a historic preservation designation.

Mayor Prang thanked everyone who came out to speak. He spoke in support of the original design of the building. He spoke in opposition to
comments that the owners have been negligent, but expressed concerns regarding changes to the property over the years. He spoke regarding the Historic Preservation Commission’s unanimous recommendation to designate the property as historic, as well as Staff’s recommendation. He spoke regarding the issues with attempting to provide meaningful and adequate incentives for owners to repair historic properties in the City. He spoke in support of the Item and denial of the appeal.

Councilmember Duran requested clarification as to whether tabling the Item to a date uncertain would ensure that the application would remain open and override any demolition application that may be submitted.

John Keho, Planning Manager, stated that this would be the case.

**ACTION:** Continue the Item to a date uncertain. **Motion by Councilmember Duran, seconded by Mayor Pro Tempore Land, and approved with Mayor Prang voting NO.**

3.B. **AMENDMENTS TO THE CITY’S MUNICIPAL CODE TO REGULATE AIRSPACE SUBDIVISIONS [J. KEHO, F. CONTRERAS]:**

City Manager Arevalo spoke regarding bringing a detailed financial plan to Council. He spoke regarding funding for the project, including funding for street and roadway improvements on Sweetzer Avenue. He spoke regarding additional funding coming from the City's General Fund reserves, and the issuance of a general obligation bond that will be paid for by parking revenues which will come from the night-time fees for parking. He spoke regarding the civic feasibility study for the Santa Monica Boulevard and San Vicente Boulevard location and clarified that this type of study is for a very long-term project. He spoke regarding the current shortage of parking at City Hall, both during the day and parking in the area at night.

Mayor Pro Tempore Land spoke in support of the project and spoke regarding the need for parking on Santa Monica Boulevard. She spoke in support of using recycled materials and ensuring that the materials compliment the artwork associated with the building.

Councilmember Heilman requested clarification regarding the design and the site plan and where the building begins on the South side of the project. He spoke in support of the project. He spoke in support of moving forward with the project as quickly as possible, particularly due to the shortage of parking in the area. He spoke regarding the added value
of building the garage and spoke in support of the City retaining the garage, even if City Hall is relocated in the future.

Councilmember Duran spoke regarding utilizing the Public Facilities Commission more during the other stages of design. He spoke in support of the Item and the increase in parking for night-time use; which can help the smaller stores in the mid-city area. He spoke in support of keeping the building under the City’s ownership, even if City Hall if relocated. He spoke regarding the possibility of using the building in the future for non-profit organizations.

Councilmember D’Amico spoke in support of utilizing the Public Facilities Commission more during this process. He expressed concerns regarding using glowing materials in the design, particularly in regards to impacts on the neighbors. He expressed concerns with an automated parking garage that is currently being built at UCLA, and spoke regarding problems with that garage. He requested clarification from staff regarding the City’s study of the functionality of the proposed garage.

Oscar Delgado spoke regarding UCLA using four different technologies for one structure and stated that the City will be using technology from one company which will ensure that it will work.
