Oscar Delgado, Director of Public Works, provided background information as outlined in the staff report dated May 6, 2013

AARON GREEN, LOS ANGELES, expressed concern that the evaluation will not include a comparative analysis of what other companies and services exist and will not analyze the benefits of issuing an RFP.

Councilmember Heilman expressed concerns regarding Athens having the contract for such an extended period of time and stated that while Athens has done a good job, the point of an RFP is to compare Athens’ proposal with other competing vendors.

Mayor Land requested clarification on what exactly the Item entails. She stated that the Scope of Work does not specifically include the option of going out to RFP to receive proposals from other vendors if none of the options presented by Athens are considered acceptable.

Oscar Delgado spoke regarding the City having the option to accept one of the choices or none at all; and stated that Staff will explore the option of issuing an RFP if none of the options presented by Athens were considered acceptable.

He spoke in support of looking at ways to use the awards to identify younger generations of activists. He spoke regarding the possibility of continuing the Item to ask the Lesbian and Gay Advisory Board to add some younger activists to the list of award recipients.

Councilmember Prang thanked the LGAB for their hard work over the years on this event. He spoke in support of the smaller number of award recipients. He spoke in support of creating a more clearly defined set of
criteria for selecting the recipients and spoke in support of asking the Lesbian and Gay Advisory Board to present the Council with findings on how recipients were selected; which would also include information on recipients who 1) live in the City; 2) have contributed significantly to the City; and/or 3) have contributed globally to the LGBT community.

Mayor Land spoke regarding the event being scheduled for June and suggested that the recommendations by Council be implemented beginning with next year’s event.

Mayor Pro Tempore D’Amico requested clarification from Staff whether the nominees were from the public or from the Lesbian and Gay Advisory Board Subcommittee. Staff provided clarification that most of the nominees came from the Subcommittee.

Councilmember Heilman expressed concern with making changes to the process this year. He spoke regarding the current nominees being well deserving of the award. She spoke in support of the current Item; with the recommendation to look at developing criteria for future years.

Councilmember Prang spoke in support of moving the Item as written with direction to address the issues raised by Council for future awards events.
