Finally, he commented on whether units in housing governed by entities such as the West Hollywood Housing Corporation should be allowed to host.

City Attorney Jenkins spoke regarding the consideration of impact fee and stated that if Council wants to consider it, a study would need to be done and it would need to include proof of the impact. Council provided the following direction to questions outlined in the Staff Report:

1. What is the City Council’s desired policy regarding taxation of short term rentals?    Approved by Council noting the “no” vote of Councilmember Meister on accepting TOT from unlicensed hosts.

Councilmember D'Amico commented that the incentive is outdated and has not worked in provided enough affordable housing. He indicated that he's interested to see the types of units the City can create utilizing new ideas, and perhaps the upcoming study will help identify this.
