Re: Automated Vehicle Storage & Retrieval System
    Pre-bid RFI, Volume 01

RFI #001
QUESTION: We are preparing a quote for the flagpole on the referenced job, which bids on November 21\textsuperscript{st}. The specification does not mention the height of the pole. Please forward that information so that we can provide bottom line pricing for general construction?
ANSWER: Refer to sheet L2.02, detail 03 for specified heights of flagpoles.

RFI #002
QUESTION: What is the cutoff date for RFI’s for the project? I was not able to find the information in the bid documents.
ANSWER: Please add the following sentence to Instructions to Bidders document, item 3.2.2: “Requests for clarification or interpretation of the Bidding Documents shall be submitted in writing to the City’s Representative no later than NOON on Tuesday, November 12, 2013.” An addendum will be issued formalizing this information into the Bid Documents.

RFI #003
QUESTION: In reviewing the requirements for this project we wanted to know if the General Contractor bidding the project has to meet the (2) jobs with F35 requirements or can they qualify if they have a subcontractor that meets these requirements?
ANSWER: Either the General Contractor or the listed concrete subcontractor can meet the requirement of two projects with the specified flatness/levelness rating? An addendum will be issued formalizing this information into the Bid Documents.
