REQUEST FOR PROPOSAL
EMPLOYEE BICYCLE SHARE PILOT PROGRAM IMPLEMENTATION
for the City of West Hollywood

Issued: March 11, 2014
Project Planner: Chris Corrao, Long Range & Mobility Planning

Employee Bike Share Pilot Program
City of West Hollywood, California

SCOPE:

Background:
Goals and Objectives:
The City of West Hollywood is looking to hire a vendor to launch a two-year employee bike share pilot program that will provide transportation options for employees conducting business and travelling throughout the city from different public facilities. The City's General Plan and Climate Action Plan support the development of a city bike share program, and development of incentives that encourage alternate transportation modes to reduce vehicle trips, reduce traffic congestion, air pollution and promote active and healthy living. This program will complement a robust package of financial incentives offered by the city for employees for transit use, carpooling, cycling and walking. If the pilot program is successful a permanent program may be considered and can provide information to inform future citywide bike share planning efforts.

Components & Phasing:
The City would like to develop a two-year pilot employee bicycle share program. The selected vendor will help the City implement the program, by providing bicycles (with baskets and lights), bike parking at designated locations, helmets and locks for bikes, and would be responsible for regular bike maintenance and redistribution of bikes. The employee bike share pilot program could be broken into two phases, initially launching the employee bike share with two locations and expanding later, or a more comprehensive program could be proposed to launch all at once. The two primary sites for the launch of an employee bike share program would be at the Kings Road parking structure and Hancock Avenue parking area. The Kings Road parking structure location would serve City Hall and allow for employees to conduct site visits, errands, etc., using bicycles. The Hancock parking area location would be for employees that wish to ride from Hancock Ave to Kings Road (City Hall), and back. It is estimated that 5 bicycles at each location would be necessary to accommodate this demand with a potential city employee bike share system build out providing 25-40 bicycles (based on demand evaluation).

Primary Employee Bike Share Locations:
- City Hall (Kings Road Structure) 8383 Santa Monica Boulevard (corner of Santa Monica Blvd)
- 901 Hancock Structure 901 Hancock Avenue (corner of Santa Monica Blvd) (employee parking on 2rd level subterranean)
- Gateway Center (La Brea Ave) 7100 Santa Monica Boulevard (near La Brea Avenue) (employee parking on 2nd level subterranean)

Additional Potential Bike Share Locations:
- Plummer Park

**Bicycles:**
Bicycles should be new (or no more than 1 year old), free of dents, and/or major scratches. They should be designed to accommodate, to the best extent feasible, people of all shapes and sizes. Key features may include a one-size-fits-all highly durable design, protection from dirt and grease, ease of pedaling and shifting, adjustable seat, lighting system (including front and rear lights), rack or basket suitable for carrying a small bag, fenders, chain guards, bells, puncture resistant tires, reflectors and a locking device.

**Bicycle Storage:**
Bicycles will need to be located in a secure chain link enclosure with racks provided by the City, or locked to bike racks provided by the vendor. Enclosures will house bicycles, helmets, an air pump, a simple bike tool and cleansing wipes for helmets. The City would be responsible for finding appropriate locations for the enclosures, and constructing them. Bicycle racks could be placed in similar locations or in the public right of way, with theft deterrence, safety and convenience as priorities when determining their location.

**Check-Out System:**
Vendor will devise a simple system for the issuance and tracking of bikes and checkout by employees. The system could include a sign-out log, or another way of recording and maintaining inventory of bicycles. Details of this may vary from station to station, depending on whether stations are housed in enclosures or at racks located on the street.

**Maintenance & Redistribution:**
Maintenance and redistribution of bicycles will be based on a customer service based approach. Bicycles will be maintained on a weekly basis, ensuring adequate tire pressure, proper shifting of drivetrains, adequate chain lubrication, properly tightened wheel skewers, etc. A maintenance log and contact number should be posted so that employees can report problems to the vendor. Regular communication with staff about problems will be established to ensure issues are addressed in a timely manner. The vendor is responsible for redistributing bicycles and helmets between the two locations in order to ensure availability of bicycles at each location. A redistribution schedule will need to be established between the City and the vendor, but at a minimum, bikes should be redistributed once a day.

**Locking of Bicycles:**
Employees will routinely lock bicycles at bike racks on sidewalks located throughout the City and surrounding vicinity during the daytime. All bicycles should come with a lock and key (or combination) for easy bike parking and locking by employees.

**Ownership:**
All equipment and facilities provided by the vendor will remain the property of the vendor, but will be made available to City employees for duration of the pilot program.
REQUEST FOR PROPOSAL

for the City of West Hollywood

Theft & Vandalism:
Vendor should detail how potential vandalism and/or theft of bicycles will be addressed.

Hours of Operation:
The Employee Bike Share Bicycles will be available for employee use Monday through Friday, from the hours of 7:00 am and 7:00 pm. Additional operational considerations for bicycle availability can be discussed as part of contract negotiations.

Advertising:
If advertising is proposed as a component of the program, vendor must specify details of where advertisements would appear (on bicycles, adjacent to stations, etc.). If any, it should be clear whether or not advertising proposed is corporate sponsorship of the program, or generally available advertising. The City has first right of refusal for advertising and will play a role in determining the extent of an advertising component.

Time Frame for Program Implementation:
The City expects to see the employee bike share program operating at the first phase locations (the Kings Road and Hancock Avenue Parking Garages) within three months or less from approval of the contract. Within six months or less, the City would like for the second phase of the project to be implemented at public facilities and any additional locations identified in this RFP. The vendor response should discuss a project implementation timeline with information on how the vendor intends on meeting or exceeding this deadline.

Duration of Bike Share Pilot Program:
The City is interested in a two-year employee bike share pilot program. The selected vendor’s performance and service will be evaluated after one year and extended for the second year if vendor has met all the terms of the contract. If the program is successful, the City will consider development of a permanent employee bike share program which would separately be solicited.

Log/Performance Metrics:
As this program is a pilot program that is intended to assist City staff in gauging demand for employee bicycle share as a permanent program, discussion of data collection approach should be included in the response to this proposal. Responders need to discuss how they plan to track frequency of use, destinations, distance, purpose of use, etc. This information should be provided to the City on a monthly basis, or upon request.

Bike Safety and Orientation:
An orientation workshop led by the vendor to familiarize City staff would be held to explain the equipment, bike network, safety, rules of the road, operations, and maintenance. Periodic distribution of bike safety information and availability for employee outreach events is desired.

Program Management and Coordination:
Proposals should provide information on vendor roles and responsibilities and who will be responsible for different components of program implementation, maintenance, redistribution, reporting, and customer service questions.

Additional Program Elements:
Proposals that recommend additional program elements that help to encourage employee bike use and aid in the successful implementation of the employee bike share program are encouraged.

Proposals should also include unit costs for adding bicycles and helmets to the program, in the event that more bicycles are needed to accommodate demand.

8.1.2. General Liability Coverage. The CONTRACTOR shall maintain commercial general liability insurance in an amount of not less than one million dollars ($1,000,000) per occurrence for bodily injury, personal injury, and property damage. If CONTRACTOR or CONTRACTOR’s employees will use personal autos in any way on this project, CONTRACTOR shall obtain evidence of personal auto liability coverage for each such person.

8.2. **Endorsements.** Each general liability and automobile liability insurance policy shall be issued by insurers possessing a Best’s rating of no less than A-:VII. Each general liability insurance policy shall be endorsed with the specific language of Section 8.2.1 below. CONTRACTOR also agrees to require all contractors, and subcontractors to do likewise.

8.2.1. “The CITY, its elected or appointed officers, officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the CONTRACTOR, including materials, parts, or equipment furnished in connection with such work or operations.”

8.2.2. This policy shall be considered primary insurance as respects the CITY, its elected or appointed officers, officials, employees, agents, and volunteers. Any insurance maintained by the CITY, including any self-insured retention the CITY may have, shall be considered excess insurance only and shall not contribute with this policy.

8.2.3. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

8.2.4. CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amounts of coverage required. Any insurance proceeds available to the CITY in excess of the limits and coverage required in this agreement and which is applicable to a given loss, will be available to the CITY.

8.2.5. The insurer waives all rights of subrogation against the CITY, its elected or appointed officers, officials, employees, or agents regardless of the applicability of any insurance proceeds, and agrees to require all subcontractors to do likewise.
8.2.6. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents, or volunteers.

8.2.8. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.

8.3. **Self Insured Retention/Deductibles.** All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention (“SIR”) and/or deductible of the policy in lieu of the Owner (as the named insured) should Owner fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. Owner understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by Owner as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on Owner’s behalf upon the Owner’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against Owner for breach of this Agreement in addition to any other damages incurred by City due to the breach."

8.4. **Certificates of Insurance.** The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.

9. **Assignment and Subcontracting.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation,
experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor relationship created by this Agreement. In the event that the CITY is audited by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. The CONTRACTOR further agrees to indemnify and hold the CITY harmless from any failure of the CONTRACTOR to comply with applicable workers’ compensation laws. The CITY shall have the right to offset against the amount of any compensation due to the CONTRACTOR under this Agreement any amount due to the CITY from the CONTRACTOR as a result of the CONTRACTOR’s failure to promptly pay to the CITY any reimbursement or indemnification arising under this Section.

10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR represents and warrants to the CITY that the CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, insurance, and approvals which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR shall maintain a City of West Hollywood business license, if required under CITY ordinance.
11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR shall not during the term of this Agreement knowingly obtain such an interest or incur such an obligation, nor shall it employ or subcontract with any person for performance of this Agreement who has such incompatible interest or obligation.

12. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY.** The CONTRACTOR represents and agrees that it does not and will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to include in all solicitations or advertisements for employment and to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

13. **LIVING WAGE ORDINANCE.** The CONTRACTOR shall abide by the provisions of the West Hollywood Living Wage Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation to enable verification of compliance with the West Hollywood Living Wage Ordinance.

14. **EQUAL BENEFITS ORDINANCE, No. 03-662.** The CONTRACTOR shall abide by the provisions of the West Hollywood Equal Benefits Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation and any applicable benefits packages, as those benefits relate to the coverage of the domestic partners of contractor's employees, which shall include: bereavement leave; family medical leave, and health insurance benefits, to enable verification of compliance with the West Hollywood Equal Benefits Ordinance.

15. **RESTRICTIONS: Arab League Boycott of Israel.** The CONTRACTOR hereby affirms it does not honor the Arab League Boycott of Israel.

16. **RECORDS AND AUDITS.** The CONTRACTOR shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Agreement and such other records as may be deemed necessary by the CITY or any authorized representative. All records shall be made available at the request of the CITY, with reasonable notice, during regular business hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.
17. **OWNERSHIP OF DOCUMENTS.** It is understood and agreed that the CITY shall own all documents and other work product of the CONTRACTOR, except the CONTRACTOR’s notes and workpapers, which pertain to the work performed under this Agreement. The CITY shall have the sole right to use such materials in its discretion and without further compensation to the CONTRACTOR, but any re-use of such documents by the CITY on any other project without prior written consent of the CONTRACTOR shall be at the sole risk of the CITY. The CONTRACTOR shall at its sole expense provide all such documents to the CITY upon request.

18. **INDEPENDENT CONTRACTOR.** The CONTRACTOR is and shall at all times remain as to the CITY a wholly independent CONTRACTOR. Neither the CITY nor any of its agents shall have control over the conduct of the CONTRACTOR or any of the CONTRACTOR’s employees or agents, except as herein set forth. The CONTRACTOR shall not at any time or in any manner represent that it or any of its agents or employees are in any manner agents or employees of the CITY. The CONTRACTOR shall have no power to incur any debt, obligation, or liability on behalf of the CITY or otherwise act on behalf of the CITY as an agent.
