1. Introductory Material

1.1 Statement of Purpose

The City of West Hollywood ("City") is soliciting proposals from qualified proposers to undertake a comprehensive citywide review of all City fees and charges. The scope of work will include conducting a comprehensive review of the City's existing fees, providing justifications for all of the City’s fees, completing nexus analyses for development exaction fees, conducting a comparative analysis of fees to those of surrounding cities, helping the city develop a model for adjusting fees annually, and providing a comprehensive report with conclusions and recommendations.

1.2 General Information about the City

The City of West Hollywood is located in an urban and vibrant part of Los Angeles County, with Beverly Hills to the west, Hollywood to the east, the Hollywood Hills to the north, and the Fairfax District to the south. The City includes national destinations and landmarks such as the Sunset Strip, the Avenues of Arts and Design, the Pacific Design Center, and a gay and lesbian nightlife area. The City is 1.9 square miles in size and home to approximately 35,000 residents. Annually, over 1.2 million visitors come to the City and many stay in one of the City’s eighteen hotels, which are some of the most popular in the region.

The City of West Hollywood is a General Law City with a Council/Manager form of government. The City is also a contract city, which contracts out many of its public services. The City charges various fees to mitigate the financial impact of certain activities, services performed, and the use of public property and facilities. Each year these fees are adopted by the City Council as a “Fee Resolution”; typically in the month of May, a full listing of all the City’s fees can be found at the following link:

Every two years the City adopts a two year operating budget and five year capital work plan. The City’s General Fund Budget for the current fiscal year is approximately $80 million.

For more information on the City’s Mission Statement, Core Values, or our Primary Strategic Goals or Ongoing Strategic Programs, the City’s Vision2020 Strategic Plan can be accessed electronically by clicking West Hollywood Strategic Plan on City Services and Information pages of www.weho.org.
