1.0 SCOPE OF SERVICES AND BACKGROUND

1.1 Scope of Services

The CITY is soliciting a firm or institution to develop a Civic Innovation Academy training program for City of West Hollywood staff across various departments. The goal of the Innovation Academy is to teach city employees about the principles of innovation, seeding a cross-departmental cohort of innovators. The objectives are to generate cross-departmental collaboration and ideas sharing, spread innovation principles within individual cohort departments, and solve municipal challenges via cohort leadership. The course will be designed to provide a structural backbone behind the obscure processes of creative thinking, a topic not usually found in civic lexicons. The staff to go through the academy will be ambassadors for city innovation and will be encouraged to submit proposals for Innovation Fund projects.

The scope of the Innovation Academy will be built around five core innovation practices, with more encouraged, if possible:

a) Integrated Design Processes – the process of opportunity finding, innovation and problem solving;
b) Business and Operations Models – How to describe, design, challenge, and evaluate innovation;
c) Systems Thinking – Methods for gathering and mapping out all stakeholders and influences surrounding an issue and solution;
d) Research Methods – How to find actionable insights and ask the right questions; and
e) Innovation Leadership – How to develop innovative teams and culture.

The program should include training for 8-12 employees over a 6-8 week period and can be online, in person, or a combination of both. Additionally, the program should include a final report, prepared by the vendor, evaluating the success of each training session and the program overall.

1.2 Background

WeHoX: The City of West Hollywood remains committed to the highest level of innovation in government. The City strives to establish the most efficient and forward-thinking system of transparency, public participation, accessibility, and communication by utilizing emerging technologies, expanding upon existing tech-oriented infrastructure, and working together with our City’s innovation community and business leaders. Embracing new technologies and training employees on the principles of innovation
will strengthen local democracy, promote efficiency and effectiveness in government, and promote the local economy.

In the fall of 2014, the City of West Hollywood launched WeHoX, the City’s first comprehensive civic innovations program, to explore the merging of technology and innovation with civic purposes for government transformation. The WeHoX consultant team’s recommendations, the comments and ideas from WeHoX salons, and the work of City staff and consultants culminated in this first City of West Hollywood Innovations Annual Report. The report proposes a broad range of programs and projects, and sets goals for the City’s innovation initiatives in 2015 and beyond.

The core goals of WeHoX are to:

a) Enhance the City’s capacity to utilize new and emerging technologies and innovations for the benefit of its residents, visitors and local businesses;

b) Celebrate the City’s regional leadership in civic innovation;

c) Promote local democracy and increase civic engagement;

d) Promote efficiency and effectiveness in government; and

e) Promote the local economy through leadership in civic innovation and technology.

While the Innovation and Strategic Initiatives division and Innovation Catalyst Group have focused on developing a culture of civic innovation at City Hall, there is an opportunity to expand the role of the department to include professional development and training for staff outside these departments and divisions. Civic innovation academies and civic innovation training programs are a way to create a more effective government through engaged, informed and proactive employees across diverse departments.

In this pilot Innovation Academy, training would be limited to 8-12 city employees, over a 6-8 week period. Based on program evaluation, the City could expand the program for a second round to train more employees. Employees would be selected by the Innovations and Strategic Initiatives Division staff, the Innovation Catalyst Group, and vetted by the City Manager.

Any insurance maintained by the CITY, including any self-insured retention the CITY may have, shall be considered excess insurance only and shall not contribute with this policy.

8.2.3. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

8.2.4. Notwithstanding the provisions included in any of the ISO Additional Insured Endorsement forms, CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amounts of coverage required. Any insurance proceeds available to the CITY in excess of the limits and coverage required in this agreement and which is applicable to a given loss will be available to the CITY.

8.2.5. The insurer waives all rights of subrogation against the CITY, its elected or appointed officers, officials, employees, or agents regardless of the applicability of any insurance proceeds, and agrees to require all subcontractors to do likewise.
8.2.6. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents, or volunteers.

8.2.7. The insurance provided by this policy shall not be suspended, voided or reduced in coverage or in limits except after thirty (30) days’ written notice has been submitted to the CITY and approved of in writing, except in the case of cancellation, for which ten (10) days’ written notice shall be provided.

8.2.8. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.

8.3. **Self Insured Retention/Deductibles.** All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention (“SIR”) and/or deductible of the policy in lieu of the Owner (as the named insured) should Owner fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. Owner understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by Owner as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on Owner’s behalf upon the Owner’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against Owner for breach of this Agreement in addition to any other damages incurred by City due to the breach.”

8.4. **Certificates of Insurance.** The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.
9. **ASSIGNMENT AND SUBCONTRACTING.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation, experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor relationship created by this Agreement. In the event that the CITY is audited by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. The CONTRACTOR further agrees to indemnify and hold the CITY harmless from any failure of the CONTRACTOR to comply with applicable workers’ compensation laws. The CITY shall have the right to offset against the amount of any compensation due to the CONTRACTOR under this Agreement any amount due to the CITY from the CONTRACTOR as a result of the CONTRACTOR’s failure to promptly pay to the CITY any reimbursement or indemnification arising under this Section.

10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR represents and warrants...

11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. All records shall be made available at the request of the CITY, with reasonable notice, during regular business hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.

15. **OWNERSHIP OF DOCUMENTS.** It is understood and agreed that the CITY shall own all documents and other work product of the CONTRACTOR, except
the CONTRACTOR’s notes and workpapers, which pertain to the work performed under this Agreement. The CITY shall have the sole right to use such materials in its discretion and without further compensation to the CONTRACTOR, but any re-use of such documents by the CITY on any other project without prior written consent of the CONTRACTOR shall be at the sole risk of the CITY. The CONTRACTOR shall at its sole expense provide all such documents to the CITY upon request.

16. **INDEPENDENT CONTRACTOR.** The CONTRACTOR is and shall at all times remain as to the CITY a wholly independent CONTRACTOR. Neither the CITY nor any of its agents shall have control over the conduct of the CONTRACTOR or any of the CONTRACTOR’s employees or agents, except as herein set forth. The CONTRACTOR shall not at any time or in any manner represent that it or any of its agents or employees are in any manner agents or employees of the CITY. The CONTRACTOR shall have no power to incur any debt, obligation, or liability on behalf of the CITY or otherwise act on behalf of the CITY as an agent.
