SITE DETAILS: Santa Monica Boulevard at Doheny Drive Sculpture Park

The Sculpture Park is a xeriscaped traffic median on Santa Monica Boulevard between Doheny and Almont drives. The exhibition space is surrounded by restaurants and commercial businesses and offers an opportunity for the artwork to be viewed by approximately 50,000 cars that enter and exit the City daily through its main western gateway. The site is open to the public without dedicated staff posted continuously to monitor the space.

There are six (6) existing concrete foundations of various sizes located on the median. The foundations sizes (from west/Doheny Drive to east) along Santa Monica Boulevard are: 4’ x 4’; 3’ x 3’; 4’ x 4’; 4’ x 8’; 5’ x 5’; and 4’ x 2’ & 4’ x 4’ (this last site has two footings located in close proximity to each other; they may be used together or separately for one or two works). Each existing foundation has coordinating lighting to illuminate the artwork at night. The following diagram is provided as a reference.
Above: Site Plan for the Santa Monica Boulevard at Doheny Drive Sculpture Park. A walking path cuts through the middle of 6 existing concrete foundations. The dimensions of each foundation are represented in feet.

Applicants are encouraged to use the existing concrete foundations in their design of the exhibition but are not required to do so. If a proposal will not include the existing foundations the proposal should indicate how and where the artwork will be installed in the space.

Questions to consider: Will new footings be required to accommodate the proposed artwork? Can the budget accommodate the requirement of new footings? Can you use existing lighting on the site?

**Edges and Hedges, 2002** - Edges and Hedges, the first exhibit for Art on the Outside, featured seven artists who created site-specific sculptural installations at locations on Santa Monica Boulevard. The installations, displayed for seven months, reflected the challenging relationship between nature and the urban environment. Selection of artworks:

**John Clement, 2006** - John Clement’s playful sculptural works originate from quick drawings that inform the process of rolling and bending steel pipe into coils that resemble springs in motion. Selection of artworks:

![John Clement](image4)
Dan Corson, *Empyrian Passage*, 2008 – *Empyrian Passage* was a sculptural form that is reminiscent of a theoretical black hole. The project consisted of a series of metal hoops of various sizes which, when placed close to each other implied a larger form. Calibrated cables suspend the hoops in much the same way as historic hoop skirts. At night, the rings glowed to create a floating form inspired by a black hole’s absence of light. The project was recognized by the Americans for the Arts Public Art Network in 2009 as one of the best public art projects of the year.

Peter Shire, 2009 – Los Angeles artist and designer Peter Shire is well known for his ceramic teapots and whimsical, geometric sculptures. Selection of artworks:
The Sculpture Foundation, **ELEMENTAL**, 2011 – Seven abstract sculptures from artists Andrew Rogers, Emilie Benes Brzenzinski, Bruce Lindsay, Robert Ressler, Peter Voulkos, Myke Gyampo and Herk Van Tongeren were included in the exhibition. The Sculpture Foundation is dedicated to collaborating with municipal, not-for-profit and private organizations around the country to site artwork in public places extending its collection into the fabric of society. Selection of artworks:

![Andrew Rogers](image2)
![Robert Ressler](image3)

Frostig Collection, **FROSTIG AT LARGE**, 2012 – Six sculptures were featured on the median from artists Lita Albuquerque, Charles Arnoldi, David Buckingham, Guy Dill, Brad Howe, Michael Kalish. The exhibition was curated by Kate Stern. The Frostig Collection is an on-going series of small sculptures, paintings and works on paper created by well-known artists and sold in limited editions to raise money for social skill programs for children with learning disabilities, Asperger’s and high-functioning autism. Selection of artworks:

Gustavo Godoy, Abandoned Relics, 2012 - Gustavo Godoy’s sculptures enticed the viewer to interact directly with the artwork. With Abandoned Relics, Godoy continued his formal and material investigations in a public forum, calling attention to the objects that mark sites as sacred or in flux; and how through collective inference and cultural construction these objects become reliquaries of our untold and retold histories. This exhibition was in collaboration with Honor Fraser Gallery.

Ivan McLean, 2015 - McLean is drawn to the potential energy that a sphere radiates with its universal symbolism for completeness, unity, equality and acceptance. This exhibition of six spheres represents several years of the artist’s work as he experimented with various materials, sizes and colors.
HACER, The Chase, 2016 – Los Angeles artist HACER created a series of six monumental origami-inspired sculptures depicting a dramatized scene of survival. Whomever the viewer relates to, the characters are meant to be viewed through a lens of commonality rather than difference as they embody the opposing yet congruent ends of starvation where each, trying to survive, fights to meet their own needs through shared, limited resources.

In addition, the CONTRACTOR shall require any and every subcontractor to similarly maintain Workers’ Compensation Insurance and Employer’s Liability Insurance in accordance with the laws of the State of California for all of the subcontractor’s employees. If the CONTRACTOR has no employees for the purposes of this Agreement, the CONTRACTOR shall sign the “Certificate of Exemption from Workers’ Compensation Insurance” which is attached hereto and incorporated herein by reference as “Exhibit B.”

8.1.2. **General Liability Coverage.** The CONTRACTOR shall maintain commercial general liability insurance in an amount of not less than one million dollars ($1,000,000) per occurrence for bodily injury, personal injury, and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit.

8.1.3. **Automobile Liability Coverage.** The CONTRACTOR shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired, and non-owned vehicles, in an amount of not less than three hundred thousand dollars ($300,000) combined single limit for each occurrence. If CONTRACTOR or CONTRACTOR’s employees will use personal autos in any way on this project, CONTRACTOR shall obtain evidence of personal auto liability coverage for each such person.
8.2. **Endorsements.** Each general liability and automobile liability insurance policy shall be issued by insurers possessing a Best’s rating of no less than A-:VII. Each general liability insurance policy shall be endorsed with the specific language of Section 8.2.1 below. CONTRACTOR also agrees to require all contractors, and subcontractors to do likewise.

8.2.1. “The CITY, its elected or appointed officers, officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the CONTRACTOR, including materials, parts, or equipment furnished in connection with such work or operations.”

8.2.2. This policy shall be considered primary insurance as respects the CITY, its elected or appointed officers, officials, employees, agents, and volunteers. Any insurance maintained by the CITY, including any self-insured retention the CITY may have, shall be considered excess insurance only and shall not contribute with this policy.

Any insurance proceeds available to the CITY in excess of the limits and coverage required in this agreement and which is applicable to a given loss will be available to the CITY.

8.2.5. The insurer waives all rights of subrogation against the CITY, its elected or appointed officers, officials, employees, or agents regardless of the applicability of any insurance proceeds, and agrees to require all subcontractors to do likewise.

8.2.6. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents, or volunteers.

8.2.8. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.
8.3. **Self Insured Retention/Deductibles.** All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention ("SIR") and/or deductible of the policy in lieu of the Owner (as the named insured) should Owner fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. Owner understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by Owner as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on Owner’s behalf upon the Owner’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against Owner for breach of this Agreement in addition to any other damages incurred by City due to the breach.

8.4. **Certificates of Insurance.** The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.

9. **ASSIGNMENT AND SUBCONTRACTING.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation, experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor relationship created by this Agreement. In the event that the CITY is audited
by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. 10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR shall maintain a City of West Hollywood business license, if required under CITY ordinance.

11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR shall not during the term of this Agreement knowingly obtain such an interest or incur such an obligation, nor shall it employ or subcontract with any person for performance of this Agreement who has such incompatible interest or obligation.

12. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY.** The CONTRACTOR represents and agrees that it does not and will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation and any applicable benefits packages, as those benefits relate to the coverage of the domestic partners of contractor's employees, which shall include; bereavement leave; family medical leave, and health insurance benefits, to enable verification of compliance with the West Hollywood Equal Benefits Ordinance.

15. **RESTRICTIONS: Arab League Boycott of Israel.** The CONTRACTOR hereby affirms it does not honor the Arab League Boycott of Israel.

16. **RECORDS AND AUDITS.** The CONTRACTOR shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Agreement and such other records as may be deemed necessary by the CITY or any authorized representative. All records shall be made available at the request of the CITY, with reasonable notice, during regular business hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.

17. **OWNERSHIP OF DOCUMENTS.** It is understood and agreed that the CITY shall own all documents and other work product of the CONTRACTOR, except the CONTRACTOR's notes and workpapers, which pertain to the work performed under this Agreement. The CITY shall have the sole right to use such materials in its discretion and without further compensation to the CONTRACTOR, but any re-use of such documents by the CITY on any other project without prior written consent of the CONTRACTOR shall be at the sole risk of the CITY. The CONTRACTOR shall at its sole expense provide all such documents to the CITY upon request.
