No oral, telephonic or telegraphic proposal or modification of proposal will be considered. Individuals serving in the capacity of spokesperson or representative for the party submitting a proposal shall not communicate, meet or discuss any aspect of the evaluation, consideration and decision-making process of this RFP with any City employee, City Council member, or City appointed official.

All written communications pertaining to this RFP shall be subject to disclosure pursuant to the California Public Records Act. Proposals will be subject to disclosure only after staff has selected a consultant for recommendation to the City Council.

CITY BACKGROUND

The City of West Hollywood is located in the western Los Angeles metropolitan area, between Beverly Hills and Hollywood, north of the Interstate - 10 Freeway between the 405 Freeway on the West and the 101 Freeway on the east.
According to the 2010 Census the City of West Hollywood has a population of 34,399, or 18,105 people per square mile, making it the most densely populated city west of the Mississippi.

The city of 1.9 square miles, previously an unincorporated area of Los Angeles County, officially incorporated in 1984 and is run by a City Manager/City Council form of government. Council members are elected at large to four year terms on a staggered basis.

The City is home to the world famous Sunset Strip and hosts the annual Halloween Carnaval in October, and the Christopher Street West Gay, Lesbian and Transgender Pride Parade and Festival in June, as well as dozens of visitor attractions that include a wide variety of restaurants and entertainment venues that cater to local residents, visitors and tourists. The work of the consultant shall be scheduled outside periods of holidays and major special events.

DEFINITIONS

The following meanings are attached to the following defined words when used in this RFP:

The word “City” or “CITY” shall mean the City of West Hollywood.

The words “CONSULTANT”, “respondent” or “respondents” means the person, firm, or corporation submitting a bid on these specifications, or any part thereof.

The word “Services”, “Contract Services” or “Scope” means the work assigned to the CONSULTANT as set forth in “Exhibit A,” attached hereto and incorporated herein by reference.

The words “contract”, “agreement”, or AGREEMENT shall mean the document executed between the CONSULTANT and the CITY to carry out the scope of services of the RFP.

SCOPE OF WORK

The scope of the work required of the CONSULTANT comprises three main parts or functions:

Part 1. Commercial Parking and Parking Credits District studies

The City currently manages two (2) parking credits districts, which entitle businesses with less than 10,000 square feet seeking to expand square footage or intensify land uses, to meet zoning code requirements for parking based on the availability of surplus public parking within the designated parking credits districts.

The City’s zoning ordinance requires bi-annual parking utilization surveys of on-street, metered parking and off-street, public garages and lots in both parking
credits districts, in order to set the thresholds for the pool of parking credits in each district.

The CONSULTANT shall be required to conduct a parking utilization study of each parking credits district every six months to demonstrate that the respective district maintains sufficient surplus parking capacity to effectively accommodate the pool of parking credits.

The bi-annual parking utilization surveys shall assess hourly parking occupancy, utilization, and duration rates separately for each parking credits district and shall report data and findings in the form of charts, tables, and statistical analysis. If requested, the CONSULTANT may be required to attend community or neighborhood meetings and present their findings and recommendations to residents, business representatives, commissioners and/or City Councilmembers.

In addition, the CONSULTANT shall provide general analysis and recommendations to effectively manage the district’s parking resources, encourage and protect pedestrian oriented uses, and promote economic development.

The CONSULTANT may be asked to design and analyze an opinion survey of businesses and visitors with regard to on and off-street parking inventory, costs, accessibility and general program operations including, but not limited to employee and patron parking.

Part 2. Residential Preferential Parking (RPP) studies

The City of West Hollywood currently has eleven (11) Residential Parking Districts, two thirds of which are enforced in the evening between 7 p.m. and 7 a.m. daily. Approximately one third of the City has preferential parking regulations enforced during traditional business hours. Some streets, within the districts that have daytime parking restrictions, are exclusively limited to residential permit holders and/or have posted time limits that exempt permit holders.

The critical issue faced in these districts is balancing the often competing needs of residents, business owners, and visitors. For City officials and professional staff, balancing these needs in a fair and effective manner is vital to maintaining West Hollywood’s quality of life and economic well-being.

The CONSULTANT shall be required to evaluate the effectiveness and efficiency of the regulations within each respective district, while maintaining a balance between the competing interests of promoting a healthy commercial business environment and preserving the quality of life for its residents.

One of West Hollywood’s general plan goals includes managing parking supply to serve residents, businesses, and visitors. This consists of regularly reviewing parking occupancies in residential preferential parking districts.
During the contract period the CONSULTANT will evaluate parking conditions in at least one preferential parking district annually, which may include specific requests from residents wishing to implement daytime restrictions and/or time limited parking in their respective district.

The CONSULTANT shall be required to collect and analyze parking data in the residential districts including vehicle occupancy rates, parking duration, and type of parking permit used in order to identify parking shortages, determine how the current regulations are working, and recommend how utilization rates/patterns among various types of permit holders (residential, commercial, disabled) might be improved.

The CONSULTANT may be asked to design and analyze an opinion survey of residents with regard to residential parking program operations including, but not limited to, the on-line renewal system; the on-line permit by plate software including hours, methods, and frequency of enforcement. The CONSULTANT may also be asked to evaluate standard parking activity indicators such as average length of stays in time limited parking zones, violation rates, and capture rates, as they relate to optimal enforcement levels, supervision, and/or beat structures throughout the City.

Part 3. Parking Enforcement Program Analysis

The CONSULTANT shall assess compliance with key contract requirements such as level of staffing, office management, equipment, technology, facilities, operational procedures, and communications and survey overall program effectiveness.

The enforcement operation shall be evaluated by systematically collecting, analyzing, and using data and surveys to establish best practices for general supervision, customer service, program effectiveness, and efficiency.

The CONSULTANT may be asked to design and analyze an opinion survey of residents with regard to the hours, enforcement frequency & methods, and signage. The CONSULTANT may also be asked to evaluate standard parking activity indicators such as average length of stays in time-limited parking zones, violation rates, and capture rates, as they relate to optimal enforcement levels, supervision, and/or beat structures throughout the City.

The insurer shall agree to waive all rights of subrogation against the CITY, its officers, agents, employees, and volunteers for losses arising from work performed by the CONTRACTOR for City.

This provision shall not apply if the CONTRACTOR has no employees performing work under this Agreement. If the CONTRACTOR has no employees for the purposes of this Agreement, the CONTRACTOR shall sign the “Certificate of Exemption from Workers’ Compensation Insurance” which is attached hereto and incorporated herein by reference as “Exhibit B.”

8.1.2. **General Liability Coverage.** The CONTRACTOR shall maintain commercial general liability insurance in an amount of not less than one million dollars ($1,000,000) per occurrence for bodily injury, personal injury, and property damage. 8.1.3. **Automobile Liability Coverage.** The CONTRACTOR shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired, and non-owned vehicles, in an

8.2. **Endorsements.** Each general liability and automobile liability insurance policy shall be issued by insurers possessing a Best’s rating of no less than A-:VII. Each general liability insurance policy shall be endorsed with the specific language of Section 8.2.1 below. CONTRACTOR also agrees to require all contractors, and subcontractors to do likewise.

8.2.1. “The CITY, its elected or appointed officers, officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the CONTRACTOR, including materials, parts, or equipment furnished in connection with such work or operations.”

8.2.2. This policy shall be considered primary insurance as respects the CITY, its elected or appointed officers, officials, employees, agents, and volunteers. Any insurance maintained by the CITY, including any self-insured retention the CITY may have, shall be considered excess insurance only and shall not contribute with this policy.

8.2.3. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

8.2.4. Notwithstanding the provisions included in any of the ISO Additional Insured Endorsement forms, CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amounts of coverage required. Any insurance proceeds available to the CITY in excess of the limits and coverage required in this agreement and which is applicable to a given loss will be available to the CITY.

8.2.5. The insurer waives all rights of subrogation against the CITY, its elected or appointed officers, officials, employees, or agents regardless of the applicability of any insurance proceeds, and agrees to require all subcontractors to do likewise.

8.2.6. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents, or volunteers.

8.2.7. The insurance provided by this policy shall not be suspended, voided or reduced in coverage or in limits except after thirty (30) days’ written notice has been submitted to the CITY and approved of in writing, except in the case of cancellation, for which ten (10) days’ written notice shall be provided.
8.2.8. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.

8.3. **Self Insured Retention/Deductibles.** All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention ("SIR") and/or deductible of the policy in lieu of the Owner (as the named insured) should Owner fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. Owner understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by Owner as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on Owner’s behalf upon the Owner’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against Owner for breach of this Agreement in addition to any other damages incurred by City due to the breach.

8.4. **Certificates of Insurance.** The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.

9. **ASSIGNMENT AND SUBCONTRACTING.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation, experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.
10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor relationship created by this Agreement. In the event that the CITY is audited by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. The CONTRACTOR further agrees to indemnify and hold the CITY harmless from any failure of the CONTRACTOR to comply with applicable workers’ compensation laws. The CITY shall have the right to offset against the amount of any compensation due to the CONTRACTOR under this Agreement any amount due to the CITY from the CONTRACTOR as a result of the CONTRACTOR’s failure to promptly pay to the CITY any reimbursement or indemnification arising under this Section.

10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR represents and warrants to the CITY that the CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, insurance, and approvals which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR shall maintain a City of West Hollywood business license, if required under CITY ordinance.

11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR shall not during the term of this Agreement knowingly obtain such an interest or incur such an obligation, nor shall it employ or subcontract with any person for performance of this Agreement who has such incompatible interest or obligation.

12. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY.** The CONTRACTOR represents and agrees that it does not and will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color,
national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to include in all solicitations or advertisements for employment and to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

13. **LIVING WAGE ORDINANCE.** The CONTRACTOR shall abide by the provisions of the West Hollywood Living Wage Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation to enable verification of compliance with the West Hollywood Living Wage Ordinance.

14. **EQUAL BENEFITS ORDINANCE, No. 03-662.** The CONTRACTOR shall abide by the provisions of the West Hollywood Equal Benefits Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation and any applicable benefits packages, as those benefits relate to the coverage of the domestic partners of contractor’s employees, which shall include; bereavement leave; family medical leave, and health insurance benefits, to enable verification of compliance with the West Hollywood Equal Benefits Ordinance.

15. **RESTRICTIONS: Arab League Boycott of Israel.** The CONTRACTOR hereby affirms it does not honor the Arab League Boycott of Israel.

16. **RECORDS AND AUDITS.** The CONTRACTOR shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Agreement and such other records as may be deemed necessary by the CITY or any authorized representative. All records shall be made available at the request of the CITY, with reasonable notice, during regular business hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.

17. **OWNERSHIP OF DOCUMENTS.** It is understood and agreed that the CITY shall own all documents and other work product of the CONTRACTOR, except the CONTRACTOR’s notes and work papers, which pertain to the work performed under this Agreement. The CONTRACTOR shall at its sole expense provide all such documents to the CITY upon request.

18. **INDEPENDENT CONTRACTOR.** The CONTRACTOR is and shall at all times remain as to the CITY a wholly independent CONTRACTOR. (a) Definitions. For the purposes of this section:

1. "Contract" means a legal agreement between the City and a contractor for services, purchase of supplies, equipment or material, or for construction of public works for which the consideration is in excess of $25,000. "Contract" does not include subcontracts or subcontractors of any contract or contractor.

2. "Contractor" means any private party or entity that enters into a contract with the City. In the event the contractor is an entity that has been formed exclusively to provide services to the City or within the State of California, then the term "contractor" shall also include that entity’s parent company(ies).

3. "Contract Awarding Authority" means the City Council or the individual authorized by the City Council to enter into contracts on behalf of the City.

4. "Domestic partner" means any person who is registered as a domestic partner with the Secretary of State, State of California registry or the registry of the state in which the employee is a resident.

5. "Employee benefits" means the provision of any benefit provided to spouses of employees or provided to an employee on account of the employee having a spouse and which benefit is provided by the City of West Hollywood and covers the domestic partners of its employees, including: bereavement leave; family medical leave, and health insurance benefits, provided that it does not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state law.
(b) Every contract, and every amendment to or extension of a contract, to which the City is a party shall provide that the contractor shall not discriminate in the provision of employee benefits between an employee with a spouse and an employee with a domestic partner, subject to the following:

1. In the event that the contractor's actual cost of providing a particular benefit for the domestic partner of an employee exceeds that of providing it for the spouse of an employee, or the contractor's actual cost of providing a particular benefit to the spouse of an employee exceeds that of providing it for the domestic partner of an employee, the contractor shall not be deemed to discriminate in the provision of employee benefits if the contractor conditions providing such benefit upon the employee's agreement to pay the excess costs.

2. The contractor shall not be deemed to discriminate in the provision of employee benefits if, despite taking reasonable measures to do so, the contractor is unable to extend a particular employee benefit to domestic partners, so long as the contractor provides the employee with a cash payment equal to the contractor's cost of providing the benefit to an employee's spouse.

(c) The requirements of this section shall apply to the provision of benefits to all of a contractor's employees within the United States, the territories of the United States and the District of Columbia.

(c) A contractor that does not comply with the requirements of this section shall not be considered eligible or qualified. Refusal of a contractor to agree to the contract provision described in subsection (b) of this section shall be grounds for rejection of a bid or proposal as non-responsive. Failure of a contractor to comply with the contract provision described in subsection (b) of this section shall be grounds for termination of the contract and disqualification from entering into future contracts with the City.

(e) The contract awarding authority may waive the requirements of subsection (b) of this section under the following circumstances:
