

City of West Hollywood

Outdoor Water Use Regulations

Water landscaping between 5 pm - 9 am only 3 days per week

No watering during or within 48 hours of measurable rainfall

No sprinkler runoff or over-spray onto adjacent properties or non-irrigated areas

All new and rehabilitated landscapes must meet the City's MWELO standards

No hosing of sidewalks, walkways, driveways, or parking areas

No washing of vehicles except using a hose with an automatic shut-off nozzle

Fountains and water features must use a recirculating water system

Pool can only be topped up once per week between 6 pm - 6 am

Irrigation leaks must be repaired within 5 days of discovery or notification

To report violations call Code Compliance at
(323) 848-6516
