The Persona (detail)
Yuri Boyko
Temporary Vinyl Mural 2018
PROJECT DESCRIPTION
The City of West Hollywood’s Arts Division is seeking artist’s proposals for a digital file of a 2D artwork (digital, photography, painting, etc.) in a square format. The image will be printed on a vinyl material at 9x9 feet and installed as a temporary mural in the West Hollywood Park’s 5-story Parking Structure. The Artist will deliver the vinyl mural to the City (The City can recommend fabricators to the selected artist, if requested). The City will install the artwork. The artwork will remain on display for approximately 18 months.

To the left is an image of the current installation of Yuri Boyko’s The Persona. The artwork is installed on an invisible frame system customized to accommodate the 9 x 9 foot vinyl mural. The stretched vinyl over the invisible framework provides a seamless and secure installation.

ELIGIBILITY
The Request for Qualifications is open to professional visual artists eligible to work in the United States. Prior experience in public art is not required.

BUDGET
The budget for the artist to provide the 9 x 9 foot vinyl banner with pockets is $2,500. The project is intended to cover the cost of design + fabrication. The city will cover the cost of the mural installation.

SELECTION PROCESS
City of West Hollywood Arts Division Staff will convene to review submissions through this request for proposals. Staff will generate a short list of artists to present to the Art on the Outside Subcommittee for final consideration. The artwork will be evaluated on the design quality, potential visual enjoyment, innovation/risk in concept and prospective social interaction, as defined in the Art on the Outside Review and Evaluation Criteria, taking into special consideration the following criteria:

• Ability to execute a high quality digital work and artist statement – conceptually, aesthetically and technically compelling.
• Artwork’s ability to reflect the City’s progressive values through original content.
• Capacity to complete the project described in this RFP within the schedule.
• Proven artistic merit and strong professional qualifications as demonstrated through previous exhibitions.
• Consideration of the social/cultural context of the site, scale of the artwork at the site, and audience that may encounter the work.
