INTRODUCTION AND SCHEDULE

Purpose of RFQ

The City of West Hollywood is seeking Statements of Qualifications (SOQ) from Geotechnical Engineering Consulting firms for on-call Geotechnical Engineering Review services. Through this Request for Qualifications (RFQ), the City will select one or more qualified consultants ("Consultant Bench") with which the City may contract with to provide services requested in the RFQ’s scope of work on an as-needed basis.

The selected consultant(s) will work closely with staff to conduct various studies and analysis. The City anticipates entering into an agreement via a contract or bench contract with the selected firm(s) based on negotiated fees. Work is not guaranteed but as the need for professional services arises, the City will contact the selected firm(s) to negotiate a scope and fee for the specific work tasks.

This RFQ describes the consultant qualifications to be evaluated, outlines City expectations, explains the review and selection process, and lists the submittal date for responses to this RFQ.

BACKGROUND

The City of West Hollywood was incorporated in late 1984. It is a General Law City with a Council/Manager form of government. The City is also a contract city, which contracts out many of its public services. The City has approximately 210 full-time and about 30 part-time employees. Its operating budget is approximately $90 million. The City fiscal year begins on July 1st and ends on June 30th.

The City is 1.9 square miles in size, and is located approximately nine miles west of downtown Los Angeles. The City of West Hollywood shares borders with the City of Beverly Hills on its west side and encompassed by the City of Los Angeles on all other sides. Development in the City generally occurred over the last 70 years, with the large amount occurring pre-incorporation under the jurisdiction of unincorporated Los Angeles County, and a resurgence of development within the recent 10 years.

The City lies in an active and potentially dangerous seismic region. Some of the most prominent hazards within the City include fault rupture, ground shaking, ground settlement, liquefaction, and landslides. To identify and reduce the risk of geological/ seismic hazards the City of West Hollywood’s Planning and
Development Services Department requires site-specific geotechnical design reports for certain types of development projects. For land development projects the owner, developer, or applicant is responsible to conduct the required investigations and pertinent documentation in the form of a report to the City for review and approval. The City does not employ a staff geologist so these reports cannot be prepared or evaluated (peer reviewed) by City staff.

Consequently, the City desires to obtain consultant services for a broad range of geotechnical services. This work will be concentrated primarily on specific project soil reports and associated technical studies that are submitted with applications for the Planning and Development Services Department review and approval but may also include other geotechnical or seismic engineering services and updating or creating policy wide geotechnical standards, guidelines, and reference materials. From time to time, the City may also desire expert review, as City's agent, of documents for proposals in adjoining or nearby jurisdictions, and other expert environmental review and reporting work.

The approximate aggregate volume of geotechnical review and assessment work administered through the Planning and Development Services Department is anticipated to be between $75,000 to $150,000 per calendar year.

The anticipated term of the contract will be no less than three (3) years. All work will be assigned on an as-needed basis. Work is not guaranteed, but as the need for geotechnical engineering services arises, the City will contract the firm(s) for the specific work tasks.

**MINIMUM QUALIFICATIONS**

Contractor must be a responsible firm that has been in continuous existence and has provided continuous services for the relevant requirements contained herein for at least five (5) years. Less than the minimum required experience may eliminate that proposer from further consideration.

Contractor must have currently licensed staffing resources to provide the Geotechnical Engineering review services required for the scope of work outlined in the specifications. Contractor’s team shall hold clear and valid California professional licenses required to perform the requested services in accordance with the State of California Section 7801.
The successful firm(s) must also be able to perform the following tasks:

- Mapping site data using ArcVIEW GIS, and MS Illustrator (or similar software);
- Strong skills in writing and oral communication;
- Testify at public hearings in regards to environmental conditions and/or impacts associated with proposed development projects.

**RFQ SCHEDULE**

The following dates represent the City’s best estimate of the RFQ schedule that will be followed. The City reserves the right, at its sole discretion, to adjust this schedule, as it deems necessary.

City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.

8.3. Self Insured Retention/Deductibles. All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention (“SIR”) and/or deductible of the policy in lieu of the Owner (as the named insured) should Owner fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. Owner understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by Owner as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on Owner’s behalf upon the Owner’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against Owner for breach of this Agreement in addition to any other damages incurred by City due to the breach.

8.4. Certificates of Insurance. The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall
provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.

9. **ASSIGNMENT AND SUBCONTRACTING.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation, experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor relationship created by this Agreement. In the event that the CITY is audited by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. The CONTRACTOR further agrees to indemnify and hold the CITY harmless from any failure of the CONTRACTOR to comply with applicable workers’ compensation laws. The CITY shall have the right to offset against the amount of any compensation due to the CONTRACTOR under this Agreement any amount due to the CITY from the CONTRACTOR as a result of the CONTRACTOR’s failure to promptly pay to the CITY any reimbursement or indemnification arising under this Section.

10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR represents and warrants to the

CITY that the CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, insurance, and approvals which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR shall maintain a City of West Hollywood business license, if required under CITY ordinance.

11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR shall not during the term of this Agreement knowingly obtain such an interest or incur such an obligation, nor shall it employ or subcontract with any person for performance of this Agreement who has such incompatible interest or obligation.

12. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY.** The CONTRACTOR represents and agrees that it does not and will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to include in all solicitations or advertisements for employment and to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

13. **LIVING WAGE ORDINANCE.** The CONTRACTOR shall abide by the provisions of the West Hollywood Living Wage Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation to enable verification of compliance with the West Hollywood Living Wage Ordinance.

14. **EQUAL BENEFITS ORDINANCE, No. 03-662.** The CONTRACTOR shall abide by the provisions of the West Hollywood Equal Benefits Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation and any applicable benefits packages, as those benefits relate to the coverage of the domestic partners of contractor's employees, which shall include; bereavement leave; family medical leave, and health insurance benefits, to enable verification of compliance with the West Hollywood Equal Benefits Ordinance.

15. **RESTRICTIONS: Arab League Boycott of Israel.** The CONTRACTOR hereby affirms it does not honor the Arab League Boycott of Israel.

16. **RECORDS AND AUDITS.** The CONTRACTOR shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Agreement and such other records as may be deemed necessary by the CITY or any authorized representative. All records shall be made available at the request of the CITY, with reasonable notice, during regular business
hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.

17. **OWNERSHIP OF DOCUMENTS.** It is understood and agreed that the CITY shall own all documents and other work product of the CONTRACTOR, except the CONTRACTOR’s notes and workpapers, which pertain to the work performed under this Agreement. The CITY shall have the sole right to use such materials in its discretion and without further compensation to the CONTRACTOR, but any re-use of such documents by the CITY on any other project without prior written consent of the CONTRACTOR shall be at the sole risk of the CITY. The CONTRACTOR shall at its sole expense provide all such documents to the CITY upon request.

18. **INDEPENDENT CONTRACTOR.** The CONTRACTOR is and shall at all times remain as to the CITY a wholly independent CONTRACTOR. Neither the CITY nor any of its agents shall have control over the conduct of the CONTRACTOR or any of the CONTRACTOR’s employees or agents, except as herein set forth. The CONTRACTOR shall not at any time or in any manner represent that it or any of its agents or employees are in any manner agents or employees of the CITY. The CONTRACTOR shall have no power to incur any debt, obligation, or liability on behalf of the CITY or otherwise act on behalf of the CITY as an agent.
