Rent Stabilization and Housing City of West Hollywood

www.weho.org/rent

This form is provided as a convenience to you. The Rent Stabilization Ordinance does not require you to use it. In order to increase rent legally, you must comply with all applicable local and state laws.

West Hollywood Municipal Code §17.28.060(c) requires that a landlord who is increasing rent pursuant to the Annual General Adjustment include with the increase notice a statement that the property is subject to the provisions of the Rent Stabilization Ordinance of the City of West Hollywood; that a copy of the Ordinance and information about the maximum allowable rent that may be charged for each unit be obtained from the Rent Stabilization & Housing Division; and the Division's phone number. (See samples below.)

West Hollywood Municipal Code §17.36.070 requires that your notice include a statement that you are "in compliance with all provisions of the West Hollywood Rent Stabilization Ordinance and Regulations." If you choose to use a form other than this one, you must write this compliance statement somewhere on the form.

In addition, California law dictates the manner in which rent increase notices must be served. If you do not follow the requirements of California law regarding proper service, you run the risk of having your notice declared invalid by a court.
