WEEKLY SUPPLIES PICK UP
The Thursday before the start of camp, visit Plummer Park, 7377 Santa Monica Blvd, West Hollywood, CA 90046 to pick up your Camper’s supplies for the week. Park in the south lot in a parking spot designated for Camp. Signs will be posted indicating a spot number and the phone number to call/text upon arrival. Once parked, text/call (323)497-6907 with your child’s name and the number of parking spot you are parked in. Staff will bring out the camp supplies to your car. Parents must be prepared to show their ID and sign the attendance form as a way of confirming the supplies were picked up.

WHAT DO I NEED TO CONNECT?
- A valid parent/guardian email address that is checked regularly.
- A laptop or a desktop will work best; however, a tablet will work as well. As a last resort, you could use a phone, but we recommend a larger screen for a better experience.
- A working webcam, audio, microphone, and stable Wi-Fi.
- A comfortable and quiet work area. Some of our virtual camp sessions do include physical activity, so space to move around is highly encouraged.

WHAT IS THE PARENT'S ROLE?
Our staff is trained to guide the campers through the daily program without parental assistance. However, this depends on the comfort of your child with technology and the ability to work independently. You are welcome to stay with your child during the class if you feel it is necessary. The camp is offered for multiple age groups to provide daily LiVE engagement with a parent nearby, but not participating directly. Additionally, the pre-recorded videos are distributed throughout the camp day to allow the flexibility of off-screen breaks and completion of offline camp activities.

HOW DO I ACCESS weCAMP@HOME?
The Wednesday before camp begins, an email with the ZOOM link, weekly calendar, and backpack distribution information will be sent to the email you registered with. All activities are designed to take place in the home or outside and mixed with plenty of off-screen challenges and activities during the camp day.
WHAT FUNCTIONS WILL BE USED ON THE ZOOM PLATFORM?
Campers will use functions such as “Breakout Rooms”, "Raise Hand," "Mute/Unmute," "Chat," "Whiteboard," and "Polls." All features are contained within the ZOOM platform. Staff will operate the secure file and video sharing feature, a text/chat tool, and create a poll. A whiteboard feature that allows counselors to split the whiteboard, so each camper has their own. The campers are encouraged to keep their video on for the duration of the live stream program portions to ensure they stay concentrated and ease communication with our staff.

SAFETY IS OUR NUMBER ONE PRIORITY!
Only enrolled campers can get access to the platform; this is not a public access platform. The Camper's name is the only data that is kept in the virtual platform. A logistical feature of our platform is the split room option - which allows staff flexibility in supervision. The split rooms can be used for games and for paying attention to campers who need it. Behavior and internet safety expectations are reviewed each morning with campers, and reminders are given throughout the camp day.

All activities are monitored by the Recreation Coordinator, Dana Abel and Recreation Supervisor, Marina Rhodes. Staff and campers cannot change how their name is displayed in the activity rooms. The staff has the right to remove participants or to suspend a camper temporarily with the approval of the Recreation Coordinator. The ratio maintained is a minimum of one staff in each break-out/activity room.

TOYS, GAMES & ELECTRONICS
Toys, games, and other electronic devices are not allowed during live sessions of camp. It is highly suggested that campers are fully engaged during the live sessions. Camp is full of games, crafts, and activities that will keep Campers entertained throughout the day.

CAMPER CODE OF CONDUCT
To ensure all campers have a positive experience, it is imperative that ALL CAMPERS follow the camp rules at all times. Disciplinary action (usually in the form of loss of privileges) will be taken for any camper disobeying the camp rules. The Recreation Coordinator will deal with more severe or consistent rule violations. Please review and sign the Code of Conduct at the end of this document.
