ORDINANCE NO. 20-1101U

AN URGENCY ORDINANCE OF THE CITY OF WEST HOLLYWOOD
ENACTING A TEMPORARY MORATORIUM ON EVICTIONS DUE TO
NONPAYMENT OF RENT FOR RESIDENTIAL TENANTS WHERE THE
FAILURE TO PAY RENT RESULTS FROM INCOME LOSS RESULTING
FROM THE NOVEL CORONAVIRUS (COVID-19), AND SETTING
FORTH THE FACTS CONSTITUTING SUCH URGENCY

The City Council of the City of West Hollywood does ordain as follows:

SECTION 1. Findings.

A. International, national, state, and local health and governmental authorities
   are responding to an outbreak of respiratory disease caused by a novel
   coronavirus named “SARS-CoV-2,” and the disease it causes has been

B. On March 4, 2020, the Los Angeles County Board of Supervisors and
   Department of Public Health declared a local emergency and local public
   health emergency to aid the regional healthcare and governmental
   community in responding to COVID-19.

C. On March 4, 2020, the Governor of the State of California declared a state of
   emergency to make additional resources available, formalize emergency
   actions already underway across multiple state agencies and departments,
   and help the state prepare for broader spread of COVID-19.

D. On March 13, 2020, the President of the United States of America declared a
   national emergency and announced that the federal government would make
   emergency funding available to assist state and local governments in
   preventing the spread of and addressing the effects of COVID-19.

E. On March 16, 2020, the City Council proclaimed the existence of a local
   emergency to ensure the availability of mutual aid and an effective City
   response to the novel coronavirus (“COVID-19”).

F. The Centers for Disease Control and Prevention, the California Department
   of Health, and the Los Angeles County Department of Public Health have all
   issued recommendations including but not limited to social distancing,
   staying home if sick, canceling or postponing large group events, working
   from home, and other precautions to protect public health and prevent
   transmission of this communicable virus.

G. As of the date of this ordinance and in order to prevent further exposure,
   many businesses have imposed work from home policies; meetings, events
   and social gatherings are being cancelled as people remain at homes;
customers are not patronizing restaurants and stores or hiring domestic help or travelling. With more businesses moving towards working from home, less of the workforce will be patronizing restaurants, hotels and other retail establishments that employ hourly workers, which is expected to lead to hourly cutbacks and potentially employee terminations.

H. As a result of the public health emergency and the precautions recommended by health authorities, many tenants in West Hollywood have experienced or expect soon to experience sudden and unexpected income loss.

I. The Governor of the State of California has stated that individuals exposed to COVID-19 may be temporarily unable to report to work due to illness caused by COVID-19 or quarantines related to COVID-19 and individuals directly affected by COVID-19 may experience potential loss of income, health care and medical coverage, and ability to pay for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources, including shelters and food banks.

J. Most, if not all, local schools are closed to prevent further spread of COVID-19. These school closures will cause children to have to remain at home, leading to many parents adjusting their work schedules to take time off work, whether paid or unpaid. Hourly wage earners are unlikely to be paid for time off. The inability to work due to school closures will economically strain those families who cannot afford to take off time from work to stay at home.

K. The situation is unprecedented and evolving rapidly. Further economic impacts are anticipated, leaving tenants vulnerable to eviction.

L. This Ordinance is temporary in nature and only intended to promote stability and fairness within the residential rental market in the City during the COVID-19 pandemic outbreak, and to prevent avoidable homelessness thereby serving the public peace, health, safety, and public welfare and to enable tenants in the City whose income and ability to work is affected due to COVID-19 to remain in their homes.

M. In the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, it is necessary to exercise authority to adopt this ordinance related to the protection of life and property, to ensure renters can remain in their homes and prevent proliferation of homelessness and further spread of COVID-19. Displacement through eviction creates undue hardship for tenants through additional relocation costs, stress and anxiety, and the threat of homelessness due to the lack of alternative housing, and lack of moving services and supplies as stores and businesses close. During the COVID-19 pandemic outbreak, affected tenants who have lost income due to impact on the economy or their employment may be at
risk of homelessness if they are evicted for non-payment as they will have little or no income and thus be unable to secure other housing if evicted.

N. People experiencing homelessness are especially vulnerable to the spread of COVID-19 due to an inability to practice social distancing and a lack of access to health care. The Governor has ordered the State to take extraordinary measures to secure shelter for homeless populations during this emergency to limit exposure to and spreading of COVID-19. Widespread evictions of tenants vulnerable to eviction due to financial hardship occurring due to COVID-19 would exacerbate the challenge of sheltering the homeless during this emergency and increase the risk of spread of COVID-19.

O. The City desires to prohibit evictions due to non-payment of rent for residential tenants where the failure to pay rent results from income loss resulting from the novel coronavirus (COVID-19).

P. This Ordinance is adopted pursuant to the City's police powers and powers afforded to the city in time of national, state, county and local emergency during an unprecedented health pandemic, such powers being afforded by the State Constitution, State law and the Chapter 2.80 of the West Hollywood Municipal Code to protect the peace, health, and safety of the public. The West Hollywood City Council finds that this ordinance is necessary for the preservation of the public peace, health, and safety of residents living within the City and finds urgency to approve this ordinance immediately based on the facts described herein and detailed in the staff report. Under Government Code Section 8634, this ordinance is necessary to provide for the protection of life and property.

SECTION 2. Temporary Moratorium on Evictions for Non-Payment of Rent by Residential Tenants Impacted by the COVID-19 Crisis.

A. Notwithstanding anything to the contrary in West Hollywood Municipal Code Title 17, during the period of local emergency declared in response to COVID-19, no landlord shall endeavor to evict a tenant for nonpayment of rent if the tenant demonstrates that the tenant is unable to pay rent due to financial impacts related to COVID-19.

B. A landlord who knows that a tenant cannot pay some or all of the rent temporarily for the reasons set forth above shall not serve a notice pursuant to CCP 1161(2), file or prosecute an unlawful detainer action based on a 3-day pay or quit notice, or otherwise seek to evict for nonpayment of rent. A landlord knows of a tenant’s inability to pay rent within the meaning of this ordinance if the tenant, within 30 days after the date that rent is due, notifies the landlord in writing of lost income and inability to pay full rent due to financial impacts related to COVID-19, and provides documentation to support the claim. For purposes of this ordinance, “in writing” includes email or text communications to a landlord or the landlord’s representative with whom the tenant has previously corresponded by email or text. Any medical or financial information provided to the landlord shall be held in confidence, and only used for evaluating the tenant’s claim.
C. For purposes of this ordinance “financial impacts related to COVID-19” include, but are not limited to, tenant lost household income as a result of any of the following: (1) being sick with COVID-19, or caring for a household or family member who is sick with COVID-19; (2) lay-off, loss of hours, or other income reduction resulting from business closure or other economic or employer impacts of COVID-19; (3) compliance with a recommendation from a government health authority to stay home, self-quarantine, or avoid congregating with others during the state of emergency; (4) extraordinary out-of-pocket medical expenses; or (5) child care needs arising from school closures related to COVID-19.

D. This ordinance applies to nonpayment eviction notices and unlawful detainer actions based on such notices, served or filed on or after the date on which a local emergency was proclaimed.

E. Violation of this ordinance shall be punishable as set forth in Section 2.80.100 of the West Hollywood Municipal Code. In addition, this ordinance grants a defense in the event that an unlawful detainer action is commenced in violation of this ordinance.

F. Nothing in this ordinance shall relieve the tenant of liability for the unpaid rent, which the landlord may seek after expiration of the local emergency and the tenant must pay within six months of the expiration of the local emergency. A landlord may not charge or collect a late fee for rent that is delayed for the reasons stated in this ordinance; nor may a landlord seek rent that is delayed or the reasons stated in this ordinance through the eviction process.

G. No other legal remedies available to landlord are affected by this ordinance.

H. This ordinance shall remain in effect for sixty days, unless extended, and the Director of Emergency Services may extend the ordinance during the term of the local emergency. Notwithstanding and in order to prevent inconsistencies, the Director of Emergency Services may suspend the effectiveness of this ordinance in the event that the President of the United States, Congress, Governor of the State of California or California State Legislature adopts an order or legislation that similarly prohibits evictions for failure to pay rent by individuals impacted by the COVID-19 crisis.

SECTION 3. Severability.

If any section, subsection, sentence, clause, phrase or word of this Chapter is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such decision shall not affect the remaining provisions of this Ordinance.

SECTION 4. Environmental Review.

The City Council finds that adoption and implementation of this ordinance is not a
"project" for purposes of the California Environmental Quality Act (CEQA), as that term is defined by CEQA guidelines (Guidelines) sections 15061(b)(3), and 15378(b)(5). The effect of the proposed amendment will be to maintain the status quo. No new development will result from the proposed action. No impact to the physical environment will result. The City Council also alternatively finds that the adoption and implementation of this ordinance is exempt from the provisions of CEQA as an administrative activity by the City of West Hollywood, in furtherance of its police power, that will not result in any direct or indirect physical change in the environment, per sections 15061(b)(3), and 15378(b)(5) of the CEQA Guidelines, as well as CEQA Guidelines section 15064(e) (economic regulations).

SECTION 5. Urgency Declaration; Effective Date.

The City Council finds and declares that the adoption and implementation of this ordinance is necessary for the immediate preservation and protection of the public peace, health and safety as detailed above and as the City and public would suffer potentially irreversible displacement of tenants resulting from evictions for failure to pay rent during the COVID-19 crisis. During this local emergency, and in the interest of protecting the public health and preventing transmission of COVID-19, it is essential to avoid unnecessary housing displacement, to protect the City’s affordable housing stock, and to prevent housed individuals from falling into homelessness. Loss of income as a result of COVID-19 may inhibit City residents and businesses from fulfilling their financial obligations, including payment of rent. Under Government Code Section 8634 and WHMC Chapter 2.80, this ordinance is necessary to provide for the protection of life and property for the reasons set out herein. The Council therefore finds and determines that the immediate preservation of the public peace, health and safety, and protection of life and property, require that this Ordinance be enacted as an urgency ordinance pursuant to Government Code section 36937 and take effect immediately upon adoption by four-fifths of the City Council.

SECTION 6. Certification.

The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same, or the summary thereof, to be published or posted in the manner required by law.
